

MEMBERSHIP

INSTITUTIONAL

MAV is a membership driven association that provides a voice, leadership and professional support for mathematical education. Through our programs and services we aim to promote mathematics, mathematics education, and its importance to society.

We have more than 1,400 members and reach over 10,500 teachers and 950 schools across Victoria from all sectors of education. MAV is well respected and has been an active non-profit professional association for more than 100 years.

To become a MAV member, please turn over and complete the form.

MAV INSTITUTIONAL MEMBERSHIP INCLUDES

- Access to online planning and curriculum resources
- 20% discount on professional development delivered by MAV Education Consultants
- 20% discount on registration for our annual conference
- 20% discount on all teaching books and resources in MAV's online shop
- Termly copy of MAV's member magazine, *Common Denominator*
- Termly copy of MAV's journal, *Prime Number* (primary) or *Vinculum* (secondary)
- Involvement in a highly respected, proactive professional association that fosters the promotion of mathematics education
- Opportunity for networking and collaboration with other MAV member schools
- Opportunity to be accredited as a Mathematics Active School
- Affiliation to the Australian Association of Mathematics Teachers (AAMT)
- Opportunity to extend your professional development by getting involved in MAV's activities
- Priority bookings in MAV professional development workshops and events
- All staff listed on a school membership are entitled to discounts outlined above.
- Membership period is from January to December.

MATHEMATICS ACTIVE SCHOOLS

MAV has a Mathematics Active Schools accreditation which recognises and supports schools who demonstrate effective learning and teaching practices in mathematics. Would you like more information on how your school can become recognised as a Mathematics Active School? (please circle)

Yes No

PRIVACY STATEMENT

MAV respects your privacy. We have adopted the privacy principles contained in both Commonwealth and State laws and have established clear internal guidelines about the way we gather and use your personal information. We gather this information solely to manage your membership and the services that we provide to you. We will not collect information that does not pertain to this. In order to serve the purpose of the association – valuing mathematics in society – and to improve the service we provide, MAV may use collected information for evaluation and research purposes. All collected information will be protected against loss and unauthorised use or disclosure. MAV will not disclose individual information to third parties without seeking permission first. You will always be able to request access to associated information. VER2019.2
