## STUDENT

MAV is a membership driven association that provides a voice, leadership and professional support for mathematical education. Through our programs and services we aim to promote mathematics, mathematics education, and its importance to society.

We have more than 1,400 members and reach over 10,500 teachers and 950 schools across Victoria from all sectors of education. MAV is well respected and has been an active non-profit professional association for more than 100 years.

To become a MAV member, please turn over and complete the form.
